## Who We Are

The OSIA is an organization of self-insured and high risk workers' compensation employers. Our commitment is to assist employers in navigating the legislative and regulatory requirements of doing business in Oklahoma and to effectuate that environment to assist you as a business and your employees. Through our lobbyist, education programs and commitment to communication, we can assist you to become a more productive business in Oklahoma.

## Our Regular/Associate Members

Our Regular and Associate membership is comprised of some of the largest, most respectable companies doing business in Oklahoma as well as smaller companies throughout our state. As a member, you will have access to our staff, our lobbyist and constant industry updates as well as federal updates through our relationship with the National Council of Self Insurers. Our relationships with our vendors provide you with a well-rounded list of resources to benefit your company and your employees

## Vendor Members

Our close association with our vendor members provides a wonderful working relationship that benefits both parties. Our vendor members provide a wide variety of services such as law firms, clinics, hospitals, third party administrators and physicians to name a few. As a vendor member, you will have access to those in the industry in need of your services. Affiliation with the OSIA by vendor/provider firms affords the representatives of such firms an exceptional opportunity to network among self-insured employers for sales and marketing objectives.
